"The Jewels of Hope."

Is there any sadder scene in the world than that of a mother looking at her sick child? Is there any more agonizing trial than that of a father watching his wife's sufferings? Is there any more heart-rending sight than that of a child lying on its deathbed? If so, then the Jewels of Hope are the most precious of all jewels. They are the Jewels of Health, the Jewels of Life, the Jewels of Hope. They are the Jewels of the Alexandria Gazette. They are the Jewels of the Alexandria Gazette. They are the Jewels of the Alexandria Gazette.

Dr. Bull's COUGH SYRUP

is above all others in the good opinion of those who have used it. Colds, sore throats, coughs and lung troubles—that's usually the program. What exerts is there for anyone staying sick when Dr. Bull's Cough Syrup will cure them? It's the little acorn that makes the oak and the little cough that makes Consumption. Don't neglect that cough! Dr. Bull's is good for young and old. A sure cure in all cases.

TRANS-CONTINENTAL RIDE

Albert V. Roe, the transcontinental one armed messenger boy bicycle rider, who has recently completed a ride from New York to San Francisco, has returned to the former city, and has become a "lightning" in the service of the Postal Telegraph Company. Roe, who is nineteen years old, left New York on July 23, and completed the ride, something over four thousand miles, to San Francisco in seventy-one days. His schedule was from New York to Buffalo, thence through Erie, Cleveland and Michigan City to Chicago, where he was met by his brother, who lives in Grinnell, Iowa, and who placed him on a train for Princeton, Ill. After a rest Roe started again, riding on the railroad tracks to Davenport, Iowa, and thence to Grinnell, where he was born. He remained in Grinnell two days, visiting his parents, and then followed the Rock Island Railroad tracks to Omaha.

His next stopping place was Lincoln, and from there he rode to Denver. He had one bad fall while coasting down a hill. From Denver he went to Cheyenne, and thence, following the tracks of the Union Pacific Railroad, to Elko, Wyo. A pleasant ride through Emigrant Canyon brought him to Salt Lake City, and from there he followed the Central Pacific to Ogden and thence to San Francisco. Roe carried a telegraph receipt slip of the Postal Telegraph Company with him and at each port of call he had it signed by the local superintendent of the company, together with the time of his arrival. "I was followed by a wolf all one night," said Roe Wednesday, "while going from Dana to Fort Steele. The brute evidently got wind of me and gave chase, but I was able to drive him away when he came too close."

MARRIED AT A DEATH BED.—Mrs. Mamie Adelaide Saville, wife of Capt. John W. Saville, died yesterday afternoon at half past twelve o'clock, at the Hotel Condon, Baltimore, where she had been living for the past four years, with her husband and daughter. Just forty-five minutes previous to the death of Mrs. Saville, her daughter, Maud Adelaide, was married at her bedside, to Mr. J. Booker Cliff. The wedding ceremony was performed by Rev. J. E. Smith, pastor of the Mount Vernon Methodist Episcopal Church. Mrs. Saville was taken sick last Friday, and Dr. H. H. Biedler, Prof. W. T. Howard and Prof. O. W. called in. They said that her ailment was bright's disease, of long standing, and the physicians told Captain Saville yesterday morning that his wife would not be able to outlive the afternoon. Mrs. Saville was very anxious that she should witness the marriage of her daughter before she expired.

The minister was hastily summoned, and arrived about a quarter to twelve o'clock, and the two, who were about to become man and wife, stood side by side at the bedside of the dying mother of the intended bride. The marriage ceremony was very simple, and the dying lady listened attentively while propped up in bed.

A MEAT EATING NATION.—In the eating of meat the United States heads all nations. Not less than 11,000,000,000 pounds of meat are used here yearly, or 147 pounds to each person. Five thousand million pounds is beef, 4,000,000,000 pounds is pork and 800,000,000 pounds is mutton. The United Kingdom stands next with 100 pounds per inhabitant. Norway uses 80 pounds; France, 77; Spain, 70; Germany 64; Switzerland, 62; Belgium, 61; Austria-Hungary, 60; Russia, Portugal and the Netherlands, 50 pounds each; Italy, 24 pounds.

Prevented a Tragedy.

T. Mely information given Mrs. George Long, of New Stralville, Ohio, prevented a dreadful tragedy and saved two lives. A frightful cough had long kept her awake every night. She had tried many remedies and doctors but steadily grew worse until tried to try Dr. King's New Discovery. One bottle wholly cured her, and she writes this marvelous medicine also cured Mr. Long of a severe attack of Pneumonia. Such cures are positive proof of the matchless merit of this grand remedy for curing all throat, chest and lung troubles. Only 50 cents and \$1.00. Every bottle guaranteed. Trial bottles free at E. S. Leadbeater & Son's Drug Store.

FREE OF CHARGE.

Any adult suffering from a cold settled on the breast, bronchitis, throat or lung troubles of any nature, who will call at the Drug Store of Ernest L. Allen—Claude M. Lennon—Warfield & Hall—Charles G. Lennon—W. F. O'Leigh & Co., or Richard Gibson will be presented with a sample bottle of Boschee's German Syrup free of charge. Only one bottle given to one person, and none to children without order from parents.

No throat or lung remedy ever had such a sale as Boschee's German Syrup in all parts of the civilized world. Twenty years ago millions of bottles were given away, and your druggists will tell you its success was marvelous. It is really the only throat and lung remedy generally endorsed by physicians. Our 75 cent bottle will cure or prove its value. Sold by dealers in all civilized countries.

From New Zealand.

REEFTON, New Zealand, Nov. 23, 1896. I am very pleased to state that since I took the agency of Chamberlain's medicines the sale has been very large, more especially of the Cough Remedy. In two years I have sold more of this particular remedy than of all other makes for the previous five years. As to its efficacy, I have been informed by scores of persons of the good results they have received from it, and know its value from the use of it in my own household. It is so pleasant to take that we have to place the bottle beyond the reach of the children.

E. J. SCANTLEBURY.

BY ELEVATING THE QUALITY

of our coal we lower the price in economy of consumption. Consumers will find that it is cheaper to use our high grade Lee Coal, that has been screened and freed from slate and stone, than that of an inferior grade. It gives more heat, less ashes and burns longer than any other coal, and our prices are as low as any. Coal and Wood under cover.
